8 Trade Union Organisation: Some Forgotten Aspects
Ruth Thompson This chapter takes a sideways look at the way that trade unions organised in Argentina in the first twenty years or so of twentieth century. Much has, quite rightly, been published about the ideological bases of union organisation, and narrative histories are available of the main events of the history labour movement. But not

The Political Economy of Labour in Argentina 1870 1930 ...

Abstract. Argentine workers occupy a unique place in the country's difficult history. In the context of frequent coups d'état and unremitting political turmoil, historians and social scientists study workers in an effort to explain the origins of the country's economic and political troubles.
