Family Life and Individual Welfare in Post-war Europe ...

Throughout the postwar period, changes in individual behaviour and legal reforms have transformed traditional notions of family life throughout Western Europe. However, interpretations of what constituted a desirable family life varied, together with the type of social intervention adopted towards it. Taking Britain and Italy as comparative cases, the author explores the extent to which dominant notions of family life differed in postwar Britain and Italy and the implications this had on the Family Life and Individual Welfare in Post-war Europe ...

**Family life and individual welfare in postwar Europe ...**

Taking Britain and Italy as comparative cases, she shows how in both countries the family was used in the post-war period as a privileged means of pursuing political interests, partly as a consequence of the new political landscape created by the emergence of the welfare state. However, approaches to the regulation of family life ultimately diverged in Italy and Britain, as a result of long
