Genocide and its Threat to Contemporary International ...

Genocide refers to the destruction of a group. However, if one is not a member of that group, why should one care about its destruction? In an innovative approach, this interdisciplinary book answers this question by looking at the impact of genocide on contemporary international order rather than appealing, as most books do, to the idea of

Genocide and its Threat to Contemporary International ...

For far too long the discipline of International Relations has failed to engage with the study of genocide. This is despite the fact that genocide holds a direct relationship with the central concepts of international relations: the state, war, power, and security.
