[Globalization and the New City: Migrants, Minorities and ...](#)

The contributors consider the link between globalization, cities and existing zones of social exclusion, employment prospects for all residents and the likelihood of social mobility for recent arrivals. A particular feature of the book is the comparative focus of the chapters that, for the first time, seek to assess the importance of national institutional structures. No Kindle device required

The new globalization also calls for new metrics. Instead of tracking cross-border flows of physical goods, money, and people, it is becoming increasingly important to measure connected consumers, communities, devices, and machines and to monitor the flow of data and ideas. Companies that can recognize the underlying shifts, identify the new opportunities, and adapt to change will seize

New Globalization - Reports on a Changing Global Landscape

Welcome to the new globalization, where digitization and decentralization of emerging markets is redefining how multi-nationals conduct business on a global scale. Read our latest reports on the topic.

The Pros And Cons Of Globalization - Forbes

A story in the Washington Post said 20 years ago globalization was pitched as a strategy that would raise all boats in poor and rich countries alike.
