International and Comparative Librarianship | Peter Johan Lor

International librarianship denotes the library or librarianship activities taking place between or among two or more countries, while comparative librarianship aims at analyzing the similarities and differences between or among libraries/librarianship in a number of countries. International and comparative librarianship - degruyter.com

His book provides a conceptual framework and methodological guidelines for the field and covers the full range of international relations among libraries and information services, concluding with a discussion of international librarianship in domestic professional practice and career opportunities.
