Narratives of Justice In and Out of the Courtroom: Former ...

The first is the focus on narratives of justice and their production, the second is its comparative perspective, and the third is its multidisciplinary angle. While legal scholars have tended to analyze transitional justice and the international criminal tribunals in terms of their success or failure in establishing the facts of war crimes, this volume goes beyond a score-card approach.

Narratives of Justice In and Out of the Courtroom - Former ...

Focuses on international criminal tribunals and how narratives of justice are constructed; Provides insights into the activities within the actual courtrooms, including witness testimony, as well as the broader social and political debates.
