B chs analyses the goals and instruments of the Open Method of Coordination, discusses approaches which theorize its functioning, examines its policy content and develops a framework for its evaluation. Through the examination of a case study the author demonstrates how policy actors apply the OMC.

Previous[Title]Next. 6) Overall Assessment: Creating New Governance Mechanisms and Preserving the European

Social Model. In this final section, we ask two basic questions: how successful has the EES been in constructing a new form of governance, and to what degree is it likely to contribute to efforts to preserve the European Social Model?
