Analyzing Politics: An Introduction to Political Science
Chapter 1, this text includes chapters on political science
and scientific research approaches, key concepts in

political science, political theory and political ideology, comparative politics and U.S. politics, and international relations.

Study of Politics (Various Approaches)

Study of Politics (Various Approaches) Political science thus overlaps with sociology just as it overlaps with history and economics. Those who take a sociological approach to the study of politics give attention to the kinds of questions and the kinds of data .political movements of all sorts can be studied on the basis of a sociological approach to politics . Policy formulations and
