Soviet Power: The Continuing Challenge | Foreign Affairs

The greater part of this book dwells on the nature of Soviet power (military capabilities, economic resources, subordinate empire) and on the continuity of political aims and institutions. The treatment is coolly analytical, relatively hard-line, mindful of the Soviet stress on competition for power

SOVIET POWER: THE CONTINUING CHALLENGE - Springer

study, 'Soviet Power and Prospects'. Out of a very full and rich Out of a very full and rich assortment of lectures that structured the Institute's work, the small Soviet Power: The Continuing Challenge: James Sherr ...

The Institute which launched this study is committed to two propositions: that military exerts a profound influence on the course and pattern of world politics; and that to be properly understood - or effectively employed - military power cannot be divorced from the social and political context in which it operates.
