A European strategy for smart, sustainable and inclusive growth EUROPEAN COMMISSION 2020-A4final.indd 1 02/03/2010 13:21:44. Preface 2010 must mark a new beginning. I want Europe to emerge stronger from the economic and financial crisis. Economic realities are moving faster than political realities, as we have seen with the global impact of the financial crisis. We need to accept that the

On sustainable production networks for Industry 4.0

Downloadable! Re-industrialization enjoys a renaissance in Western economies due to the role of the industrial sector for innovation, productivity, and job creation. A very promising approach to bring back competitiveness in production seems to be the fusion of the virtual and the real world leading to smart manufacturing and logistics concepts.
