There has been a significant amount of research done on the effect that advertising in the fashion and beauty industry has on women. By creating advertisements with unrealistic images of beauty, it has resulted in anxiety, low self-esteem, and low self-confidence in many women. Most of these negative emotions stems from unhappiness among body and appearance. Less research has been performed relating to cosmetics and how this can have an influence on women, and how women can use cosmetics to [The Impact of the Beauty Industry on Young Girls | WeHaveKids](#)
