Yalom, for example, covers many perspectives on death. Cultural tradition may vary the experience of what death is or if there is more than one form of death. Being fully aware of death may promote radical personal change and can lessen dwelling on issues that are trivial in life. A second concern, freedom, comes at the cost of responsibility. Freedom and responsibility may mean different

**Short-Term Intensive Group Psychotherapy for Patients with ...**

Short-term intensive group psychotherapy has been developed as a means of treating outpatients referred for disabling functional complaints. In this preliminary outcome study, a majority of the 60 patients presented with refractory physical complaints. After intensive therapy for a mean of three weeks, psychopathology as measured by multiple standardized tests subsided from moderate-to
