Essential antenatal, perinatal and postpartum care ... care and modern principles and practices of sound care in pregnancy, labour and birth and the postpartum period, through better case management and appropriate interventions, while maintaining safety.

Essential antenatal, perinatal and postpartum care ... Abstract Much has changed in antenatal, perinatal and postpartum care in recent decades, and many of the changes have arisen from a questioning - and in some cases discarding - of many of the interventions which had previously been considered appropriate or even essential. Essential antenatal, perinatal and postpartum care ... Much has changed in antenatal, perinatal and postpartum care in recent decades, and many of the changes have arisen from a questioning - and in some cases discarding - of many of the interventions which had previously been considered appropriate or even essential. The course described in this manual

WHO | Pregnancy, childbirth, postpartum and newborn care

Pregnancy, childbirth, postpartum and newborn care: a guide for essential practice (3rd edition) (PCPNC), has been updated to include recommendations from recently approved WHO guidelines relevant to maternal and perinatal health. These include pre-eclampsia & eclampsia; postpartum haemorrhage; postnatal care for the mother and baby; newborn resuscitation; prevention of mother-to-child transmission of HIV; HIV and infant feeding; malaria in pregnancy; interventions to improve preterm birth
